Method

1. Mount hook in vice, holding nearest arm of double hook. Get body level.
2. Tie on thread and touching turns down 4mm.
3. Tie in Oval Tinsel and Floss, bind down tightly on top with near touching turns to above hook point.
4. Wind Floss 4 turns down, then up forward between the hook points. Catch in with 3 turns & trim.
5. Wind Oval 3-4 turns down, then up forward between hook points, catch in, trim to body length.
6. Roll half a dozen yellow and orange bucktail together and line up the ends.
7. Roll 2 Krystal flash fibres into the bucktail.
8. Tie in tail at twice hook length, Trim to body length, bind down full body length.
9. Tie in Copper wire underneath hook.
10. Tie in Holographic Gold Tinsel on top of hook and bind everything down in touching turns to tail.
11. Return thread in near touching turns to 3mm behind eye.
12. Wind holographic gold tinsel in overlapping turns to 3mm behind eye.
13. Wind rib in open turns (about 5) to 3mm behind eye and bind in.
14. Tie in Yellow Saddle hackle by tip, double hackle, wind 3 turns, tie down and cut off.
15. Trim, soak with superglue & tie in Squirrel Tail wing, about a third body longer than hook.
16. Tie in Orange Saddle hackle by tip, double hackle, wind 4 turns, tie down and cut off.
17. Tidy up head and tie in Jungle Cock cheeks - on top and below or on sides.
18. Go over head with Globrite #4 Red to form bright red head.
19. Superglue and 2 coats clear varnish 24 hrs apart.-----
